# ANNA CABALLERO HAS A PROVEN RECORD OF SUPPORTING VETERANS.

---

**Anna Caballero worked with Governor Brown to put veterans to work.** As a cabinet secretary Anna's Agency helped Veterans get a job quickly upon return to civilian service. She also made it easier for small businesses owned by disabled veteran's to get state contracts. She ensured that \$65 million dollars to reduce veteran homelessness was allocated efficiently statewide. She ensured veterans and their families would benefit from affordable, stable housing with counseling, health clinics, disability benefit advocacy and family and childcare services available.

**Honoring those who serve our nation is important to Anna.** Anna supported the Vietnam Veterans Park and Memorial in Salinas, voted to allocate city resources to build it and has attended the ceremony held there every Veterans Day since the memorial was created over 20 years ago. As a member of Governor Brown's cabinet she expedited state approvals for the Veterans Cemetery in Monterey County.

**VOTE FOR DEMOCRAT ANNA CABALLERO FOR ASSEMBLY ON JUNE 7TH.**
